

Deep Cycle/Starting Commercial AGM DURACELL®

SMARTPOWER™

2x Durability & Dependability 2x Cycle Life* 20x Vibration Resistant*

Offer your customers heavy-duty power from a name trusted to deliver the critical dependability needed for commercial truck and equipment use. Duracell Commercial AGM battery technology delivers advanced power solutions to meet the evolving needs of today's commercial vehicles.

Deep Cycle/Starting Service Commercial AGM batteries from DURACELL are made with plenty of power and a specially reinforced internal construction to withstand the multiple charging and recharging service of demanding battery powered systems (such as HVAC and APU units).

For commercial vehicles with heavy power demands, these batteries provide one of the industry's best options for integrating deep cycle and moderate starting power performance.

Designed for more efficient recharging, DURACELL Commercial AGM batteries actually recover faster in the vehicle's charging system than conventional flooded designs to deliver more accessory power longer.

Commercial vehicle or equipment owners shouldn't settle for anything less than this technologically advanced type of trusted battery power.

Now Featuring DuraMAT™ Components

More battery power protection with...

- Superior electrolyte absorption
- No free-flowing electrolyte
- Shock absorbing material
- Optimized power flow

* Compared to conventional designs

Not just another battery offering, the Duracell AGM line delivers the best single source of premium AGM battery power solutions for the automotive, import vehicle, marine, power sports, and commercial markets. The variety in the Duracell AGM line has batteries to best service the vehicle and user's needs by integrating the optimal balance of starting, cycling, and deep cycling performance.

Duracell AGM batteries are part of the SmartPower initiative. Designed for more efficient recharging, these batteries recover faster in the vehicle's charging system than conventional flooded batteries to deliver more accessory power longer.
